Veterans Observe Remembrance Day

954 Lac La Biche Adults Register For Free TB Chest X-ray Clinic

The free TB chest x-ray will be held in Lac la Biche in the library room of the town hall, Nov. 28, 30 and Dec. 1. The hours of the clinic will be from 9 to 12 and from 2 to 6, Nov. 28. This day will be for adults and pre-school children over four years of age; Nov. 30 hours, 9 to 12 and 1 to 4, for school children, and Dec. 1, 9 to 12, again for adults and pre school children over the age of four years.

A hard-working group of men and women have made a thorough canvass of the district and to date have registered 945 adults. This number does not include school children.

It is hoped that everyone will realize the necessity of being x-rayed and will make a special effort to come out on the above dates. Anyone who has not received an application card for any reason is urged to attend the clinic regardless and an appointment will be arranged.

The cost of staffing and operating the mobile x-ray unit is borne equally by the provincial government and the Alberta Tuberculosis Association. The x-ray equipment and vehicle are supplied to the government by the Alberta Tuberculosis Association out of the proceeds from the sale of Christmas Seals. The x-ray is free and the treatment of tuberculosis is provided free of charge by the department of public health for residents of the province.

J. H. Anderson, director of x-ray surveys, was in the district recently arranging for the x-ray survey. E. J. Woynarowich was appointed general chairman; Mrs. Steve Hamar, advance registration chairman; Mrs. A. Gatzke, clinic appointment chairman and Mrs. W. E. Coast, volunteer help chairman.

Remember the dates: Nov. 28, 30 and Dec. 1; the place, the town library.

ROYAL F. MOULTON was appointed general secretary of the Ontario Temperance federation. Mr. Moulton has served the federation for the last 13 years. He is a graduate of Yale school of Alco-Institute of Scientific Studies for the Prevention of Alcoholism Studies at the University of Loma Linda, California.

Lake Freezes November 11

LAC LA BICHE—Winter seems to have come to stay, as below zero weather has been with us for several days. The lake is now covered with its coat of ice, which is expected to stay till next May. Date of freezing for this year was Nov. 11.

Hong Kong Slides Seen At HSA Meet

LAC LA BICHE — The regular monthly meeting of the Home and School Association was held Nov. 6. Due to other activities held the same evening, the attendance was disappointingly small. The decision was made to sponsor a scholarship for an honor student in Grade 10 and Grade 11. Miss Torresan's Grade 1 room won the banner for parent attendance at the meeting.

Highlights of the evening was the showing of slides of Hong Kong by Miss Elsie Litzenberger, who has recently returned from the Orient where she spent 2½ years in the offices of the Canadian Immigration department. Miss Litzenberger also showed numerous souvenirs from the far east.

Wreaths Laid At Foot Of Cenotaph By Representatives Of Services

By MRS. M. CREIGHTON

LAC L ABICHE — The extremely cold weather, coupled with a biting northeast wind, greatly hampered the Remembrance Day observances and cut down the attendance. However the parade got underway as planned at 10:45.

Veterans of two world wars, visiting airmen, a member of the RCMP, the Sea Cadets and firemen and 15 members of the Lac la Biche Band marched from the Memorial Hall to the Cenotaph. Wreaths in memory of those who had given their lives in the two world wars were placed by the following, S/L Gene Zwicker, Cold Lake, representing the RCAF; Tom McCullough, RCAF; Narcisse Mouille, Canadian Army; Peter Dribninki, RCN; Cpl. Clarke of the RCMP; Provincial Government; and Mayor Maccagno, the town of Lac la Biche. Two minutes silence was observed in memory of the war dead.

Following the ceremony at the Cenotaph, religious services were held in St. Andrew's Anglican Church and St. Catherine's Roman Catholic Church. In the absence of the Anglican minister, Rev. Stuart Munro United Church minister conducted the Protestant service, and the United Church choir rendered special music. Father Louis Veil conducted the service at St. Catherine's. Both services were well attended.

Shortly after noon some 80 members of the Canadian Legion, the firemen and special guests met at the Legion Club Rooms where a turkey dinner was served by the wives of the Legion members.

Master-of-ceremonies for the occasion was Art Schiewe, president of the local branch of the Canadian Legion. Grace was said by Rev. S. Munro. The toast to the Queen was proposed by Veteran Roque Lacroixe. Mr. Lacroixe is one of the few remaining charter members of the Lac la Biche Legion.

Mr. Schiewe introduced S/L Gene Zwicker, who in turn introduced the group from Cold Lake who had flown in an Otter aircraft from the RCAF Station. They included: F/O's Dave Mahoney; George Marowski; John Tanguay and Cpl. Bill Hawkins. LAC Brinzinski, who is on furlough at his home here, was also present.

On behalf of the town, Mayor Maccagno welcomed all the out-of-town guests, and as a goodwlil gesture presented complimentary passes to the afternoon showing at the theatre to the veterans.

Rev. L. Veil, Roman Catholic priest, Rev. N. Stetzenko, Ukrainian Orthodox priest and Rev. S. Munro, United Church minister were introduced and each spoke briefly on the Remembrance Day theme.

Rev. J. E. McGrane, who has attended Armistice Day services in Lac la Biche for 20 years and who has been president of the Lac la Biche Canadian Legion Branch for 16 years, was also present. In his remarks Rev. McGrane, who has a life membership in the Legion here, commented on the growth and development he has witnessed in the Legion down through the years and the wonderful spirit of co-operation always in evidence.

S/L Zwicker, in addressing the group, asked the question "Of what were you thinking during the two minutes of silence?" Is considering the meaning of Remembrance Day. he said two minutes were not long enough to remember all those he knew who had not returned from the world wars but we should pause in gratitude to those who sacrificed their lives for the freedoms which we possibly value to lightly.

F. W. McMillan introduced veterans of the first world war present at the banquet: They included: Roque Lacroixe; Wallace Horsford; Julius Rossi, now 78 years of age; Joseph Michetti, nearing his 80th year, and Rev. McGrane.

Jack Williams, who has been secretary of the branch for 11 years, gave a report on the Club's activities for the past year. He noted that there is a membership of 91, of which two are life members, 12 honorary and 76 ordinary. He extended a hearty thank-you on behalf of the erecutive to all those who had come out on such an inclement day.

A social time followed the dinner and a well attended dance in the Memorial Hall in the evening brought the day to a close.

Lions Ask Council For Toboggan Slide

LAC LA BICHE — At last week's regular meeting of town council Nick Chodan, representing the Lions' Club, asked for permission to have a toboggan-slide built on the lake shore at the west end of town. Council gave approval to the plan and also agreed to have a light installed in the area. This will provide a good spot for young and old to enjoy tobogganing well out of the way of traffic.

The matter of the town's participation in the government-sponsored winter works plan to provide employment for the winter months was discussed. Stockpiling of gravel under the plan was considered, and the secretary was instructed to get further particulars as to what costs were payable by the federal and provincial governments.

Annual Fur Farmers' Show Tropy Won For Third Time By M. Steffan

At the annual Fur Farmers' Show held in Lac la Biche Nov. 5, Mike Steffan, well known mink rancher, carried away the trophy awarded for the winner of the highest number of points in the show. The trophy remains in his possession since this is the third year in a row that he has won it. A good attendance was recorded at the show with a total of 246 mink entered. The first prize winner was Runar Lindblom, with a standard black mink, the prize being a Hudson's Bay blanket.

Judges of the show were: Arthur Prentice, general manager of the Canadian Raw Fur Auction Sales, Montreal, and Mr. S. Caine of Edmonton.

A banquet was held in the Memorial Hall in the evening, with a turkey supper catered by the United Church Ladies' Aid. Guest speakers for the evening were A. Prentice, S. Caine and Dr. Balantyne, from the veterinary services branch, provincial department of agriculture; R. W. Gillies, fur farm supervisor and George Wilson, president of the Alberta Fur Breeders Association.

Interesting colored films on the most advanced pelting and fleshing machines used in the mink industry were shown by Mr. Gillies. An enjoyable and educational evening was spent by all.

Gus Byrkelo is president of the local fur farmers and John Yackimec is secretary.

Edmonton Michetti Brothers Beat Hylo Michetti Brothers At Bridge

HYLO — Michetti Brothers of Edmonton dfeeated Michetti Brothers of Hylo by 40 points on a 24-hour non-stop bridge game during the weekend.

During the past five years Otto and Benito Michetti have motored to Hylo on many occasions and have always tangled in a bridge game with theirr brothers Henry and George but, sad to say, they have always returned to Edmonton defeated.

November, 1959, marks the date for their first victory. The game was played at the home of their sister Mrs. Oliver Piven and she reports that Tony and Benny left her place tickled pink. She is quite certain they smiled all the way back to Edmonton in spite of the loss of sleep.

The game was one of hte best Mrs. Piven has ever witnessed; she too lost sleep in company with herr brothers, and of course saw to it that the boys did not go hungry; she served roast tomatoes and salami at 3:00 a.m. and topped the bridge game with spaghetti, chicken and roast turkey.

"Not only are my brothers good bridge players," Mrs Piven says, "but good eaters as well."

The boys are planning on another challenge in several weeks.

THE Homemaker

By BERTHA M. McCUTCHEON

Could you take time to plan your fall sewing as you are occupied with routine tasks? Here are some items to remember.

B. McCutcheon

1. Take your body measurements; bust, waist, hips and back waist length.
2. Decide from these measurements what size and what type of pattern best suits your figure.
3. Select the style that flatters your good points and conceals your figure faults.
4. Compare your body measurements with the standardized body measurements of bust, waist, hip and back waist length and decide whether basic alterations are needed.
5. Compare the pattern measurements with your own measurements (shoulder length, front waist length, sleeve length and so forth) and decide what alterations, if any, are needed at these points.
6. Make all these alterations in the pattern before cutting out the garment. It save fitting time.
7. Choose a fabric of becoming color and texture. Avoid slippery, loosely woven materials or plaids, if you are inexperienced.
8. Purchase the pattern, the fabric and all the necessary findings such as zipper, thread, lining and so forth at one time so that they match.
9. Decide whether interfacing is required and what kind. The correct weight of interfacing enable your garment to keep its original shape. It gives crispness to fashion details. Permanent finish organdy is suitable for most lightweight fabrics and is available in most centres. Try the interfacing between two folds of your fabric. It should blend with the outer fabric without giving an overly stiff appearance.
10. Be sure that the fabric interfacing, lining and seam tape are shrunk before making up your garment.

Teaching Of French Gets Little Support From Cameron Commission

The majority report of the Cameron royal commission says there are reasons to doubt that English-French bilingualism is a feasible objective for the schools of Alberta.

The report, in recommending that daily instruction of a second language, including French, be reduced to one-half hour from an hour in grades three to six, said there are few opportunities or demands to practise bilingualism in Alberta.

The majority opinion also said there are many other languages represented in the province, some of which have ethnic value and academic status equal to those of French.

The commissioners proposed that languages which represent mother tongues in the community be given the same classroom accorded the teaching of French.

J. S. Cormack said in his minority report no proper appreciation of Canada and its problems can be gained by a student without a "recognition that insofar as ethnic value and academic status are concerned the French language is second only to the Anglo-Saxon."

He urged that parents be allowed every leeway so that they can obtain for their children an understanding and appreciation of the language, traditions and culture of the "second largest ethnic group" in Canada.

Community Honors Mr., Mrs. Zuber On Anniversary

SPRUCE VALLEY — A 15th wedding anniversary celebration was held in the Spruce Valley hall on Nov. 14 in honor of Mr. and Mrs. Pete Zuber.

Some 40 couples assembled to extend best wishes to the honored couple.

Mr. Chromiak proposed a toast to the bride and groom of 15 years ago which was followed by a Smorgasbord supper. The table was decorated with roses and centred by a beautifully-decorated three-tiered wedding cake.

Mr. and Mrs. Zuber were then presented with a number of attractive gifts including: bedspread from Mr. and Mrs. J. Strumelak, Edmonton; serving tray and deer and bird ornament, Mr. and Mrs. Perich, Edomnton; dinner set of dishes and crystal tumbler set, the relatives; and a miscellaneous electrical gift consisting of toaster, coffee percolater, frying pan and an electric shaver from the many friends gathered there. Mr. and Mrs. Zuber then thanked everyone for the gifts and celebration.

A number of pictures were taken during the evening by Alex Hula.

Master-of-ceremonies was Mr. Chromiak and organizers were A. Hula and E. Strumelak. Music was supplied by Billy Rosa, Bill Wytruk and Alex Hula for dancing enjoyment.

Mr. and Mrs. Zuber were attended by four bridesmaids and best men. The bridesmaids were Mrs. A. Kanarek, Mrs. J. Homeniuk, Mrs. A. Duniec and Mrs. S. Zachkewich. Best men were Mr. Steve Mahaden, Mr. Karl Zilinski, Mr. Walter Garbowski and Mr. John Wolak.

Out-of-town guests included Mr. and Mrs. John Strumelak of Edmonton; Mr. and Mrs. M. Zuber and Mr. and Mrs. Prusak of Boyle, Mr. and Mrs. B. Zilinski and family and Lily Wolak of Athabasca.

Steed To Bring Grain Dryer To Lac La Biche

LAC LA BICHE — Lyle Steed of Charron has indicated that he recently ordered a grain dryer which he hopes to have in operation in the near future. Mr. Steed spent several days in the Edmonton district recently looking over a number of dryers and watching them in operation, and then selected what he considered the best dryer available. He stated that the dryer he purchased was highly recommended to him by agricultural authorities and he is satisfied that it will dry grain to meet the conditions set by the Wheat Board.

Mr. Steed has not yet decided where he will set up his machine, but he felt that he would perhaps operate in all parts of the district where there is a demand for this service. The dryer can handle approximately 200 to 250 bushels of grain per hour, and he is prepared to operate 24 hours a day if conditions demand it.

Persons wishing to have grain dried should contact Mr. Steed at Charron or leave their name with the district agriculturist's office or the UGG elevator in Lac la Biche.

M. Hamar Opens New Department

Sunset Department In Hardwares Latest Feature Of M. Hamar Store

By MARTHA FRASER

LAC LA BICHE — Michael Hamar, ex-alderman, ex-mayor, successful business man has again demonstrated faith in his community. Mr. Hamar first opened business in Lac la Biche in 1936 and since then it has, periodically, become a habit to extend and increase his premises so that at this time his store embraces several departments and covers large floor space. His latest addition is a sunset department in hardwares.

True, Mike has been selling hardware for a long time, but this is a special section with space made available by moving merchandise into other areas remodelled in the large building. It is an attractively decorated and arranged section.

The ceiling is white, as are the upper walls. The display walls are in Alpine blue, flamingo red, wood tan, jonquil yellow and mint green, with a cherry red flange running along the upper edge. Against these colorful panels are displayed tools, paints, novelties and smaller hardwares.

The floor is in grey and white squared tile. The extention covers an area 50x60 feet. Lighting is fluorescent.

Mike Hamar has been a resident in Lac la Biche for 33 years and actviely engaged in business for 23. In his own words "Lac la Biche is a progressive community. It has advanced in business extensively and there are several modern shopping centres."

Mike, as he is popularly known, has served on the town council, he's been mayor and is active in the local chamber of commerce.

Lac la Biche has a population of approximately 1,500, including surrounding areas.

Mike was born in Austria-Hungary and came to Canada in 1902. His parents settled in the Two Hills district where he grew up. He spent 10 years on the farm after completing school. His first introduction in the grocery business was as a clerk in a store owned by Alec Hamilton. Later he opened his own store on a small scale and due to his integrity and good business initiative, this enterprise grew steadily from the first. Each year additions to his store were needed to cope with more and more business, as larger volumns of merchandise passed through his books.

One bad setback occured in 1945 when the building completely burned. The owner, however, was nat daunted. He started at once to rebuild, and later made arrangements to buy the old Berube Hotel and re-arrange space to suit store requirements.

At the present there is an increase in employment with four new members added to fill out the complement of 12 required to carry on business from day to day; for in addition to hardware the store operates a modern groceteria, dry goods, clothing and general merchandise departments. All this took place because one man saw a future in a small Alberta town some 23 years ago and has found great pleasure in watching the town expand.

The opening of Michael Hamar's newest section will be held on Friday, Nov. 20, at 9:00 a.m., with Mayor Maccagno, MLA, officiating.

There will be gifts galore, large and small, to the value of $200. Among the many useful prizes will be a self-propelled lawn mower.

Vows Exchanged At St. Paul's By Donna Raaflaub, Glen Sodergrin

BOYLE— Red carnations, white chrysanthemums and autumn bouquets decorated St. Paul's Anglican church in Boyle recently for the marriage of Miss Donna Mae Raaflaub, eldest daughter of Mr. & Mrs. Stanley Raaflaub of Boyle, to Mr. Glen Harry Sodergrin of Athabasca.

The ceremony was performed by Rev. Mr. Meakin.

The bride, given in marriage by her father, was beautiful in a waltz-length gown of heavy brocaded white satin. Her chapel veil trimmed with sequins was held in place with a seed-pearl halo and she carried a small bouquet of red roses. Her jewelry was two strands of pearls with matching earrings.

Maid-of-honor Miss Hazel Raaflaub, the bride's sister, wore a dress of deep pink; Miss Margurete Raaflaub, cousin of the bride wore a pale pink gown with small grey figures and Miss Louise Sodergrin, sister of the groom, chose a blue gown. Each bridesmaid wore a headpiece to match her gown and each carried a small bouquet of pink carnations and white chrysanthemums.

Linda Raaflaub, sister of the bride, and Joan Sodergrin, sister of the groom, were flower girls. Both were dressed in blue with matching headpieces and carried blue baskets filled with flowers.

Best man was Mr. James Sodergrin, brother of the groom, and ushers were Mr. Arthur Raaflaub and Mr. Truman Lund.

The congregation sang "Ye Watchers and Ye Holy Ones" while the bridal couple signed the registered. Miss Denise Loiselle was organist.

About 80 guests attended a reception held at the home of the bride's parents.

For receiving the guests Mrs. Stanley Raaflaub chose a teal-blue gown and the groom's mother wore a navy blue and white dress.

The bride's table was laid with a white cloth centred with a three-tiered wedding cake trimmed with birds holding rings. The cake was made by Mrs. Raaflaub.

Rev. Mr. Meakin proposed a toast to the bride, to which the groom replied.

After the dinner the bride opened her many beautiful gifts.

Out-of-town guests included Mr. and Mrs. Bud Dimmo and family of Forestburg.

A wedding dance was held in the evening at the community hall which was beautifully decorated for the occasion.

The Rocky Ramblers of Thorhild furnished the music.

Baby Shower

HELINA — A baby shower was held for Mrs. Betty Whelen at the home of Mrs. Kari of Rich Lake.

Mrs. Whelen received gifts from the members of the United Church Ladies' Aid, the meeting of which was held at the same time.

Frains

Students enjoyed a holiday from school on Armistice Day, Nov. 11.

Recent visitors to Edmonton were: John Nahrabinchyk, John Shyian, Andrew Kowalyk, Fred Shyian and Archy Shwetz.

The high school students of Grassland motored to Lac la Biche to see "The Ten Commandments" on Nov. 6, and "Giant" on Nov 10. In the month of October they went to see "The Big Country" in Athabasca.

A Ukrainian movie titled "The Earth" was shown in the hall on Thursday, Nov. 5. A large crowd attended.

Many farmers are busy threshing now. They hope to finish before the winter sets in.

Wandering River

Eddy Luchka is at present employed by Nick Fedorchuk.

The farmers are again combining and threshing before more snow falls.

A 25th wedding dance was held recently in honor of Mr. and Mrs. Harry Bereska in the Wandering River Hall.

Hylo

Stan Grandish made a trip to Calgary last weekend.

S. Gushinsky accompanied Bruno Meardi to Edmonton last week.

Mrs. M. Reece of Waterways is visiting at the home of her daughter, Mrs. J. Marchesi.

Mr. and Mrs. John Coli motored to Edmonton last weekend.

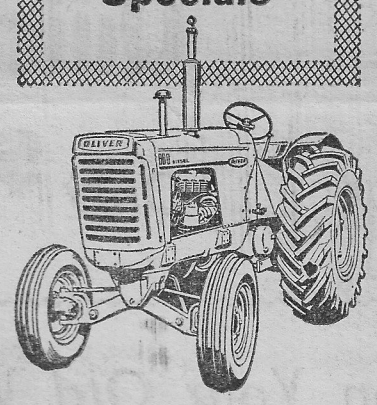
NEW OLIVER Wheatland Specials



Designed for you and ready to go are two all-new Oliver wheatland specials—the 4-plow 770 and the 5-plow 880.

They're short, powerful, rugged, ground-hugging. Wheel base is only 83 inches in the 880, for example. You can maneuver in close quarters easily. The flat, roomy platform is enclosed to protect you from wind and mud. The high-arch front axle oscillates 36 degrees, permits a wheel to raise as high as 16 inches. You get six forward speeds, double-disc turning brakes.

Available are a number of convenience units: power steering, independent PTO, heavy-duty drawbar. There's a choice of hydraulic systems and 6-cylinder engines—gasoline, diesel, LP-gas. See the new Oliver wheatlands now.

Unitarian Service Layette Drive

The Calgary branch of the Unitarian Service committee is launching a province wide "Layette Drive" to help fulfil Canada's pledge to the United Nations of 25,000 layettes for the Arab refugee babies in the Middle East — 10,000 completed layettes are still needed by Christmas, and we are appealing to all Alberta mothers to help in this, the largest "baby shower" ever held.

This tremendous project, the largest ever undertaken by the U.S.C., is a contribution to "World Refugee Year", and it has the whole-hearted endorsement of the Canadian government.

A basic layette consists of: 4 diapers, 2 nightgowns, 2 shirts, 2 jackets, 1 towel, 1 bar laundry soap, and four large safety pins—surely a meagre layette to our way of thinking, but to refugee mothers, a magnificent gift.

Please let us make it clear that used garments are very acceptable,, and many mothers have contributed items their own babies no longer need. Some of the loveliest layettes have been skilfully pieced together from scraps of leftover material, unworn corners of sheets, and old pyjamas.

If every Alberta mother gave just one of the above items we could complete our project in one week!

We are making this urgent appeal to either organized groups or to individuals to start collecting baby items now, and share with us the warm feeling of dressing a baby in something nice instead of rags, because rags they wear for lack of anything else.

This is a far-reaching and most humanitarian project, and there is hardly a more worthwhile call for your assistance.

Dr. Lotta Hitschmanova, executive director of the Unitarian Service committee, will be in Calgary, Edmonton and Lethbridge in November, so watch your local paper for her arrival.

In Calgary she will be holding her public meeting, on Thursday, Nov. 19, at the Golden Age Club, 505 - 11 St. S.W., at 8:30 p.m., and everyone within reach is invited to come and hear her speak.

She will also be appearing on CHCT-TV at 10:55 p.m., Wednesday, Nov. 18, and on all radio stations. Please listen for her talks.

Your parcels of layette items may be mailed to: Douglas Moving and Storage Ltd., 4232 - 16A St. S.E., Calgary. But may we ask you to please send your letters to Mrs. J. Ockley, Chairman, Calgary Branch, U.S.C., 2624 - 33 St. S.W., Calgary.

PARENTHOOD WITHOUT HOKUM

By Howard Whitman

Mr. Whitman's thought-provoking series just concluded on "Our Drinking Habits' was so well received by readers, that the Sun Publishing Company Limited felt you would enjoy 12 significant articles that tell parents how to regain their lost authority.

There's a new thought in child-rearing which will bring relief and new hope to thousands of parents. It's time to junk most of the "let 'em do as they please" theories of the last 20 years, say the experts, and re-establish the authority of dad and mother.

Howard Whitman, a nationally known writer on social problems, reports direct to you on this significant new development in a series of articles, PARENTHOOD WITHOUT HOKUM, which will start next week in this newspaper.

You'll want to read every one of the 12 instalments. You'll find much helpful good news which will assist you in learning once again the lost art of parenthood.

1. **"The Kill 'Em With Kindness Plan"**
2. **"Are You Afraid to Get Angry?"**
3. **"The Lost Art of Fatherhood"**
5. **"Discipline — a Naughty Word"**
6. **"Punishment — Why Are We Afraid of It?"**
7. **"Punishment Can Be Constructive"**
8. **"Authority Won't Hurt Junior a Bit"**
9. **"All the Other Kids Are Allowed To—"**
10. **"Using the Family Car — What Time to Get Home"**
11. **"Telling Your Child About Life"**
12. **"Listen to Your Heart"**

Don't miss a single one of these interesting and important instalments which will bring new hope to hundreds of bewildered parents. Look for

Possible To Develop Portion Of Oil Sands By Open Pit Methods

A government expert said a small portion of Alberta's Athabasca oil sands can be developed by open-pit mining methods.

Dr. John Convey, head of the federal mines branch, commented on a published report that Great Canadian Oil Sands Limited of New York plans to build a plant in the area of the sands, 175 miles northeast of Edmonton.

The report said the company plans to employ a method involving hot water or steam to separate the oil from the sand, and indicated the sands' whole 17,000-square-mile area might be exploited by this method.

Dr. Convey, whose department has for several years been studying methods of getting at the oil —estimated at 300,000,000,000 barrels in the whole area—said there appears to be nothing new in the New York company's proposed method. Several other companies holding exploration rights on parts of the sands right now were working along similar lines.

But overburden covering most of the sands was too deep—up to 1,000 feet—to be mined economically by open-pit method. Dr. Convey said estimates of how much can be uncovered this way run between two and five per cent.

"When one begins to consider deep sands, then you have a mining probelm as well as a refining problem," he said. "I know that this company is considering use of a big dredge for overburden removal. How successful this will be has to be proven yet."

"For anyone to state at this time they can develop all the sands with the open pit method, that would have to be proven."

Gospel News Bulletin

During the last week we held Iver Benerud has work among meetings at Chetwynd, B.C. where the Indian people. In this rapidly growing town there is great opportunity for gospel work. Meetings were good and it's our prayer that the work shall grow and increase.

At Valleyview we had two meetings with Pastor Peter Toews. The need there is great as it is everywhere for revival in these last days. We have seen God do miracles among the Idians. They came in simple faith, believed the word and acted upon it, bringing them relief from their sickness and sin.

The fields there are open and we are praying for more faithful workers, who will go in there and act upon God's word, bringing light to these needy areas. Pray with us to this end.

Bazaar Sponsored By St. Isadore's

PLAMONDON — The St. Isadore's parish bazaar was highly successful. For the first time it was held in the School Auditorium and the spaciousness gave a pleasant atmosphere to the occasion.

Bingo was played in the afternoon and a chicken supper was served by the ladies in the evening. Mrs. Donald Bosse and Mrs. Roland Paquette were in charge of supper arrangements, assisted by the ladies of the parish.

In the evening a show was given and Carl Roskowich was kind enough to give a showing of the 50th anniversary films of Plamondon before the regular show.

Mrs. Alec Schaub and Mrs. Eugene Plamondon were the leaders of this year's bazaar and all the ladies of St. Anne helped make the event a success.

I'M A ONE-COAT WONDER-PAINTER WITH *EASY-FLOWING*
KEM-GLO ENAMEL
The lady's right! Kem-Glo Enamel saves up to one third the work because it's so easy to apply. No brush marks; one coat covers most surfaces. Dries in 3 to 4 hours to a beautiful lustre finish that looks and washes like the baked enamel on a new refrigerator . . . For a flat, velvet finish ask for Kem-Glo Velvet White.

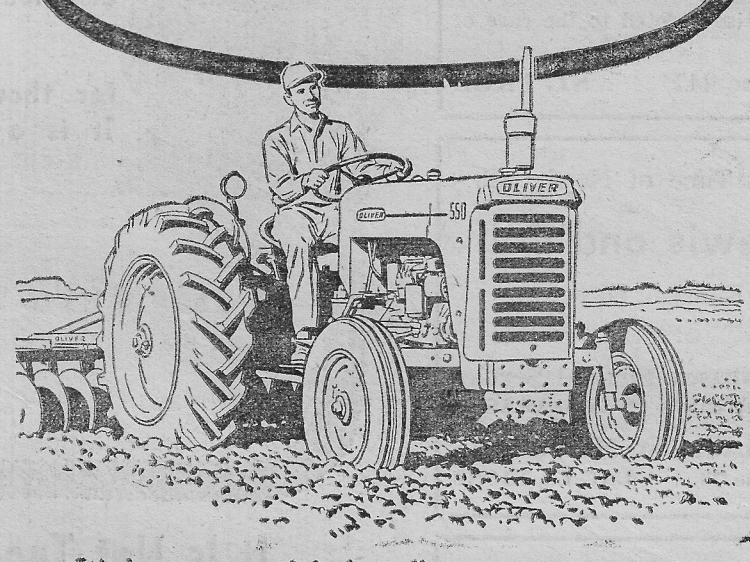
All-Job, All-Farm
OLIVER 550
Brisk New Utility Power



It's here—a new 2-3 plow all-purpose tractor with greater flexibility than ever.
Sharp new styling, bright new colors of meadow green and clover white, new starting safety switch, new twin-dial instruments. All are yours in the new Oliver 550.
But that's just a start. You get the most modern utility-tractor features of all. Your new 550 feels its own way, goes from position to draft control *automatically*. Your choice of a gasoline or diesel engine, Powerjuster wheels, power steering, Independently Controlled PTO.
You get six forward speeds, double-disc brakes, a rubber spring seat—all at no extra cost. See the new 550 soon. Feel its extra eagerness, its quick, smooth response to every touch.

Spruce Valley

Lorraine Garbowski of Prosperity visited Lorna Zilinski on Remembrance Day.

A Ukrainian show was held at the Spruce Valley Hall Nov. 8, with a large crowd in attendance.

T. Zachkewich was a recent visitor to Edomnton.

Mr. and Mrs. Mike Kochan travelled to Athabasca last week.

Bill Mahaden and son Russel of Edmonton were home for the weekend.

Miss Lily Wolak, now employed at Athabasca, spent the weekend at her home here.

Recent visitors to Athabasca included Mr. and Mrs. Steve Mahaden and family, Mrs. M. Skawronik and Mrs. Stefiuk.

Atmore

Mr. and Mrs. Ross Tucker were business visitors to Boyle last week.

Many people from the district attended the show, "The Ten Commandments" which was played in Lac la Biche last week.

Many people attended the supper, bingo and raffle sponsored by the WA of Grassland for the Anglican Church.

Mr. and Mrs. William Ballard and family left recently for Swan Hills where Mr. Ballard will work on an oil rig.

Mr. Churnachin of Lac la Biche has moved his rig to Boyle after digging a well at the Tucker farm.

Mrs. Louise Porodo of Edmonton, formerly of Atmore, visited family and friends in the district over the wekend.

DON'T GO AT IT PART HOG

Unless garnished with parsley, hog knuckles should not be served at afternoon tea.

the eyes that talked....

BRITISH EMPIRE SERVICE LEAGUE CANADIAN LEGION

....when they were hit hard, the eyes looked at you and said: "I'm not afraid for myself, Mac. But my wife and kids! What'll happen to them! Who'll look after them?"

For thousands of widows and war orphans there are pensions. But no pension or allowance can hope to provide for life's emergencies. Most of us have some form of insurance against sickness, accidents and hospital bills. But where would your wife turn for help if she were a widow or if you were disabled?

The Canadian Legion's Poppy Trust Fund is the answer for thousands of war widows, orphans and disabled veterans. It is a comrade's enduring answer to the eyes that talked!
